IN MEMORY OF DR. A. P. J. ABDUL KALAM

You boarded the final flight  
of the ultimate reality  
towards the eternal Abode,  
leaving behind  
Wings of Fire  
for the clipped and crippled  
So that they soar aloft  
with Ignited Mind  
to meet your supreme vision  
where science in you  
had a cordial tryst  
with paradigmatic spirituality  
in your impeccable heart.

Your cherished dream  
of empowered India must be  
realised for ushering  
in a better world,  
the world of affable love,  
peace, brotherhood  
and communal harmony.
