THE CURSE

Dalit, Adivashi and other Backward Classes birth

In India is a curse
The situation day by day
Becoming bad to worse
Only in Maharashtra itself
Deadly bullets attack on social reformer
Dabholkar and Pansare
Kharirlanji, Sonai and Kharda
Are the best examples
Of casteism burst
Utmost and topmost failure of police
In catching real criminals
Is a matter of trust?
Believe unbelievable
On one piece of earth
In India
What one can expect worth?
For Backward Classes
Birth in India is really a curse!
