DANCE WITH THE WIND

Tania Alphonsa George

Kollam, Kerala, India

=====***=====

Dance with the wind,

Sweet child.

Cry out to the heavens.

Like the raging oceans.

Reclaim the silence of the wind -

Steady and still.

Be your mind.

Whispers to the ears,

About grace.

Grace unbound.

In abundance.

Gift of the day.

In the promise of the night.

Life goes on.
