=====***=====

Solitude is perceived as plight of outcast!
In fact it is sublime status of mature sort!

It may seem like seclusion is pleasureless!
This notion is certainly sign of ignorance!

Recluses divide heart, mind, soul within!
Talk between them takes place in isolation!

These elements may differ in disposition!
Yet they despise not each other's opinion!

Applause they offer for other's excellence!
During one's suffering others render solace!

They see ways of world with varied insights!
Within themselves they make deep analysis!

Blessed are they who can rejoice in solitude,
