THE DIVINE APOSTLE

Ms. Ankush Bharti
Chief Editor
The Holistic Pine Journal
Hamirpur, H.P., India

Oh, Divine Apostle
I'd address thee as a 'Woman'
You are a source of Life
You are indeed a healer in strife.

You gave us heaven in your womb
You gave birth to society that later on blooms
Woman lays the foundation of a toddler's life.

Education would have been all Greek
If values, character and wisdom in society
Would not have been enshrined on us,
Then society would have been stagnant and weak
Crusaders, Revolutionaries, Intellectuals, and Heroes were thy offspring.
You bind the society just like beads in a string.

Time may cease to exist but your contributions are infinite, You gave us wings and encouraged us to make a flight

Society is an interplay of norms and values
But Oh Stern angel you made values our norms
If the almighty gave us speech you gave us thoughts
He gave us eyes ,you gave us vision
You encouraged us to lead a fruitful life
And made humanity and peace our mission
You are a patient listener,
A silent answer to our quizzical expressions

A beacon of light for the masses.

Oh Stern Teacher ,the world would have been a cold globe You are the teacher of highest order, You made us realize that disparities are man-made borders. You added optimism to our persona.

Oh, Divine Apostle I'd address thee as 'Woman'
